

## TEAMING UP WITH YOUR SERVICE SPECIALISTS

## How to keep an accurate scoring streak on your automatic loin scorer

**Achieve the best meat price** by having your certified Frontmatec service specialist perform a scheduled and accurate adjustment of the main bearing unit and alignment of the conveyor in the KMRS with the line.

**Stay prepared for the unexpected** by stocking critical parts for daily operation. For the mainbearing unit we can provide an exchange unit securing low mean time of repair.

**Run a smoothly operation** by using the greases especially engineered to enable the KMRS to perform at its best.

**Keep your operators safe** by leaving the KMRS in the hands of your service specialist that as their top priority maintain the brake that ensures total engine stop in case of an unplanned door opening.

### Additional product solutions for your KMRS

Recommended service for maximum operation efficiency	Min. 1 service a year
Grease cartridge for main bearing unit	Part no. 091-0047
Grease cartridge for manual lubrication	Part no. 091-0043
